Reporting Retailer	Monsanto Technology/Stewardship #	Mailing Address	City	ST	ZIP

Grower Name	Monsanto Technology/Stewardship #	Mailing Address	City	ST	ZIP

Retailer is responsible for updating Monsanto on a weekly basis with any additional treatment information per grower. Initial Overtreatment Agreement should be signed and faxed to Monsanto. By signing the agreement grower agrees that his initial signature acknowledges all overtreatment for the current year's planting season by individual retailer.

Date	Variety	Batch/Lot Number	Units	Chemical Applied

The grower understands and agrees that Monsanto is not responsible for any damage, seed mixture, or any other reduction in seed quality resulting from, or in any way related to, handling or treatments applied after removal of the seed from the original Monsanto packaging or containers and will make no claim against Monsanto arising from such handling or treatments.
